DISTILLERY (Front)

National Road Souther No.13 Nasone Vilalge, Pakgum District

DISTILLERY (BACK)

Happy Staffs

A close-up photograph of several sugarcane stalks stacked horizontally. The stalks are cut into sections, showing their hollow, fibrous interior. The outer skin is a mix of light green, yellowish, and reddish-brown. The stalks are arranged in a neat stack, with some showing signs of being cut or processed.
